Attention - Mr. G. De Haven

Gentlemen:

Replying to your favour of December 22nd, the Museum of The American Numismatic Society was erected in 1910. The Society dates from the year 1858. The collections consist of:

- Coins of all ages
- Medals, with special emphasis on those by Amer. artists
- Decorations. War badges
- Indian Peace Medals - a particularly important group
- United States paper money

We have an exceptionally well equipped numismatic library, which is open to students.

The publications of the Society are both important and extensive.

Medals are struck from time to time, the subscription being open to the Society's members only.

The Museum is open to the public from two to five o'clock, excepting Mondays.

Trusting the above gives you all the information you desire,

Very truly yours,

Secretary
